	BIG DIGITAL'S POP-UP BILLBOARDS	OTHER VIDEO WALL RENTAL PROVIDERS
 <b>ENGINEER CERTIFIED</b>	Products are certified for winds up to 160 KPH 	Custom on-site engineer certification is required every time
 <b>LABOUR</b>	No on-site assembly labour required....plug and play 	Requires extensive labour to build on-site. Expensive and unreliable.
 <b>SAFETY CONCERNS</b>	Indemnify include for all compliant installations / environments 	Client and vendor assume risk with every custom build
 <b>DESIGN &amp; BEAUTY</b>	Beautiful and sexy products 	Truss, ballast, fabric covers and exposed cabling result in ugly products
 <b>INTERACTIVITY</b>	Plug and play sensors and software for interactive experiences 	Not available
 <b>INSTALLATION</b>	Patented Forklift approach requires no labour. Installed in minutes 	Requires road cases with extensive parts. Dependent on labour resources on-site
